Dear Parents/Carers,

We are excited to let you know that we are sending out a survey to get your feedback about our Academy.

This survey is important because it will help us learn what you think about different things at Iceni Secondary Academy. We want to know how we can make our Academy even better for your children. Your ideas will help us figure out what we should improve and what is already working well.

When you fill out the survey, please share your thoughts honestly. Your answers will be kept private. The survey will be available until Monday 3<sup>rd</sup> February, so please make sure to have your say and share your feedback over the next few weeks. The survey link is available below:

In addition to your survey, we will also be asking the students to provide their own feedback. This will give us valuable insights from their perspective, helping us make the best choices for their learning and support. This will be completed during the academy day.

Together, we can make Iceni Secondary Academy a great place for our children to learn and grow. Your opinion and honesty are much appreciated. If you have any questions or concerns, please get in touch.

We look forward to your feedback!

Yours faithfully,
