

Tuesday 20th May 2025

Dear parent/ carer,

Year 10 Mocks: June 2025

I am writing to you to confirm the details of Year 10's mock examinations. We are really looking forward to seeing how the students perform in these exams: they are crucial in letting us know how students are performing so far, and how we can support students as they move into Year 11. Results will be released before the end of the summer term to support with students' own revision and study.

The mock exams will be taking place from the 10th – 27th June and will enable students, for the first time, to experience how the external mock process happens and begin to grow more comfortable with the rules and regulations.

This will be followed by a larger formal mock season in November 2025, and a smaller, focused mock season in February 2026, and I will confirm the specific dates and papers/ subjects with you as soon as I can.

You can find the mock timetable below, and a mock timetable will also be given to your child. In addition to the published dates below, French reading, speaking and listening mock exams will happen in the classrooms, and your child's French teacher will advise students of when these will take place.

For 9.00am exams, your child will come to the playground once registered at approximately 8.45am. For 11.30am exams, your child will come to the playground promptly at 11.20am (still giving them 20 minutes for break).

If your child is entitled to access arrangements, these are being looked after by our SEND department and will be in place for this set of mock exams. If you have any questions regarding your child's entitlement, please contact Mrs Warren, Deputy SENCo, directly: Laura.Warren@attrust.org.uk.

Day	Date	Start time	End time	Exam
Tuesday	10th June	9.00am	10.15am	Biology Paper 1
Wednesday	11th June			
		11.30am	1.00pm	Maths Paper 1
Thursday	12th June			
		11.30am	12.40pm	French Writing

Thursday	26th June	9.00am	10.15am	Physics Paper 1
Friday	27 th June	All day	All day	Drama - Practical
		9.00am	11.00am	Computer Science

Teachers will be preparing students in lessons for these mock exams. If your child has already purchased their revision guides, we'd strongly recommend these resources to students. Additionally, Seneca is a fantastic resource not just for homework but for independent revision, and I recommend it most strongly to your Year 10!

If you have any questions please contact your child's subject teacher or form teacher in the first instance.

Yours sincerely,

A. Staniforth.

Miss A Staniforth
Vice Principal
