

6<sup>th</sup> May 2025

Dear parent/ carer,

### Year 11 Masterclasses

As promised, I am writing to you with the full timetable for the forthcoming Year 11 masterclasses, starting tomorrow with drama during P4 and P5.

As mentioned in my last update, once the exam season begins, we will be collapsing part of the timetable each day to run masterclasses. These masterclasses will focus on students' next exam, and will run in every available slot/ subject. There are some cases where this will not be possible, for example where all students are in an exam in the morning and therefore unable to complete a masterclass for the afternoon exam. Masterclasses will run in Period 1/ Period 2 or Period 4/ Period 5, and the full timetable for these is below. Students will receive these in form time, tomorrow. At all other times, when not in exams or masterclasses, students will attend their regularly timetabled lessons. Once the final exam has passed for each subject, that lesson will then become time for supervised, independent study. Please ensure your child has plenty of revision material with them for these lessons!

This grid shows the regular lessons students would be in, any exams running and the masterclasses that are on – a one-stop-shop for all things Year 11 scheduling!

### Study Leave

As a reminder, from Monday 9th June, students need only attend the academy for their exams. The academy will remain open for all students on all dates after this, so if students would like to study in school, they would be very welcome indeed. We will also continue running masterclasses during this time, which we strongly encourage all students to attend to get that crucial last-minute revision with subject experts.

Until Friday 6th June, it is expected that all students will continue to attend school all day, every day, in order to take advantage of their continued lessons with their subject specialist teachers, and the masterclasses they are running, too, in order to benefit students as they prepare for their exams.

Unless your child has a medical appointment (with evidence), or unless there is already an arrangement in place for your child agreed with a member of staff in the academy (for example, where they have previously attended alternative provision), all students leaving site after exams will be marked as unauthorised absences.

If you haven't already, I would be very grateful if you could please complete the form linked below to let us know your child's intentions with regards to this period of study leave.

If you have any questions, please do not hesitate to contact the academy.

Yours faithfully,

Miss A Staniforth  
Vice Principal
