

4th July 2025

Dear parent/ carer,

As we come to the last day of work experience for our Year 10 students, we wanted to take a moment to say a heartfelt thank you once again for all of your support throughout this process.

We are delighted to share that the placements have been incredibly successful. Employers have been full of praise for our students, regularly commenting on their maturity, initiative, and strong work ethic. Some of the feedback has been truly outstanding, with remarks such as 'We would employ them now' and expressions of how proud they have been to see what our students have achieved during their time in the workplace.

Following on from the recent Year 10 mock exams and now this hugely positive experience in the world of work, we could not be prouder of our students here at Iceni. They have represented the school and their families with pride and professionalism.

As this has been our first time running work experience for a number of years, we will be sending out a short parental survey in due course to gather your views on the process. Your feedback will be invaluable in helping us refine and improve the experience for future year groups.

Thank you once again for your continued support, and we wish you a restful and enjoyable weekend.

Warm regards,

Stuart Pryke, Assistant Principal
Ferouza Agoudjil, Head of Year 10
