

Thursday 25th September 2025

Dear Parents and Carers,

Year 10 Post-16 Information

As your child moves into their penultimate year of secondary education, it is time to begin considering the next steps in their academic journey. To support this process, a number of local sixth forms and colleges are holding open evenings over the coming weeks. These events provide an invaluable opportunity to explore the courses, facilities, and support services each institution offers, and to speak directly with staff and students.

We strongly encourage all Year 10 students and their families to begin attending as many of these open evenings as possible. They are essential for making informed decisions about post-16 options and can help students feel more confident and prepared about their future pathways.

Below are the dates for upcoming local sixth form and college open evenings:

- **Mildenhall College Academy, Sixth Form** – 25th September
- **West Suffolk College** – 1st October
- **Thomas Paine Sixth Form** – 2nd October
- **City College, Norwich** – 3rd October
- **Abbeygate Sixth Form College** – 7th October
- **Sir Isaac Newton Sixth Form** – 8th October
- **University Technical College, Norfolk** – 9th October
- **Springwood Sixth Form** – 9th October
- **Easton College** – 10th October
- **College of West Anglia, King's Lynn** – 15th October

Each institution will provide further details about the format of their open evenings (times, registration requirements, etc.) on their websites. If you or your child would like more information about any of these events, please contact the institutions directly.

Thank you for your continued support in helping your child make the best possible decisions about their future.

Best wishes,

Stuart Pryke
Assistant Principal
