Dear Parents and Carers,

I just wanted to say a huge well done to all of our Year 10 students who took part in the mock interviews today.

Although there were a few nervous faces as students approached the hall, everyone threw themselves into the experience with enthusiasm and rose to the challenge brilliantly. I am extremely proud of each and every one of them.

Our interviewers were very complimentary about the students, commenting on just how impressive they were. They highlighted students' confidence, clear articulation and strong eye contact, with some even saying they would happily employ them now.

Interviews are never easy, but it was wonderful to look around the hall and see so many engaged students having meaningful conversations with our guests and making the most of this opportunity. Experiences like this are invaluable and will also help prepare students for their upcoming work experience placements in June.

Students received verbal feedback from their interviewer today, and written feedback will be shared with them next week.

Thank you, as always, for your continued support.

Yours faithfully

Stuart Pryke
Assistant Principal
