

12 March 2026

Dear Parents and Carers,

As part of our Student Leadership Events and Charity Group, we are excited to announce our upcoming **Food Bank Donation Drive**. This initiative is an important opportunity for our students to support families in our community and to learn the value of compassion, teamwork, and social responsibility.

We are inviting students from all houses to bring in **non-perishable food items** over the next two weeks. All donations will be delivered to The Harvest Centre, where they will directly help individuals and families in need.

To make the event even more engaging, we are hosting a **friendly house competition**. The house that brings in the **most donations** will earn a special recognition, and reward points.

**Suggested donation items:**

- Canned vegetables, fruit, or soup
- Pasta, rice, or noodles
- Cereal or porridge oats
- Tinned meat or fish
- Long-life milk or juice

Every contribution, big or small, makes a meaningful difference. Make sure these donations are handed to Miss Coates in H3.

Thank you for your continued support and for helping our students make a positive impact in our community.

We are look forward to a successful fortnight of giving.

Warm regards,

Miss Coates

On behalf of the Student Leadership Team: Events and Charity
