

12th May 2026

Dear Parents and Carers,

Study Leave

As we approach the final stage of the GCSE journey, I am writing to let you know that study leave for all Year 11 students will begin on Monday 8th June after their Biology Paper 2 exam.

From this date, students will only be expected to be in school for their scheduled examinations. We will continue to offer subject masterclasses to provide targeted revision and last-minute support where it is most helpful, and we encourage them to attend these opportunities.

We know that some students work best at home during this period, while others benefit from being in a school environment. Any student who wishes to be on site after study leave begins is very welcome to do so. Students in school will either be attending masterclasses or working in supervised study spaces, ensuring they remain supported and focused throughout the exam period.

To help us understand arrangements and ensure the right support is in place, we kindly ask that all parents and carers complete a short web form to confirm study leave arrangements for their child.

[Study Leave 2026 – Fill out form](#)

We are incredibly proud of how hard our Year 11 students have worked and encourage them to use the next few weeks wisely, balancing revision with rest and self-care. If you or your child have any questions or concerns, please don't hesitate to get in touch with the academy.

Thank you, as always, for your continued support during this important time.

Kind regards,

Miss Staniforth
Vice Principal
