Dear Parent/Carer,

Year 7: Getting to Know You

As we continue to get to know our Year 7 students and support them in making a successful start at Iceni Secondary Academy, we are asking parents, carers and students to complete our 'Getting to Know You' Parent and Student Profile form. We will use the information gathered to create a personalised One Page Profile for your child.

Although we have received information from primary schools and, where applicable, Education, Health and Care Plans (EHCPs), we know that no paperwork can tell us as much about a young person as the people who know them best. This form gives you and your child the opportunity to share your insights, helping us build a fuller picture of their strengths, interests, aspirations and any support that helps them thrive.

The information you provide will help staff understand:

- What your child enjoys and is proud of.
- Their strengths, interests and ambitions.
- How they learn best.
- Any situations they may find challenging.
- Strategies that help them feel successful, confident and supported.
- Their own views about school and how adults can help them.

Our aim is to ensure that every member of staff who works with your child understands them as an individual. By focusing on what works well and what is important to them, we can provide the right support and create the best possible learning experience.

The completed information will form the basis of a One Page Profile, which will be shared with relevant staff and reviewed with parents/carers and students several times throughout the year. This allows us to celebrate progress, update strategies and ensure the support we provide continues to meet your child's needs.

We would be grateful if you could complete the form with your child at your earliest convenience. The student voice section has been designed to be completed together, allowing your child to share their own thoughts and experiences.

If you require the form in a different format, or if you would like support to complete it, please do not hesitate to contact us and we will be happy to help.

You can find the form here: [Getting to know you: Year 7 Parent and Student Profile – Fill out form](#)

Thank you for taking the time to share this information with us. We are looking forward to working in partnership with you and your child to ensure they have a positive and successful Year 7 experience.

Yours faithfully,

Miss A Staniforth
Vice Principal/ SENCo
