

15th September 2026

Dear Parents and Carers,

Year 11 Information Evening Recording Link

Thank you to everyone who attended our Year 11 Information Evening on Thursday 10th September. We were delighted to see so many families there and appreciate your ongoing support as students begin this important academic year.

For those who were unable to attend, or for anyone who would like to revisit the information shared, a recording of the presentation is available via the link below:

Many of the key messages discussed during the evening are also being reinforced through our Year 11 form time programme. This includes support around revision strategies, study habits, wellbeing, examinations, post-16 planning, and the steps students can take to maximise their success this year.

We encourage all families to take some time to view the recording and discuss the key information with their child.

Thank you, as always, for your continued support.

Yours faithfully,

Miss Staniforth
Vice Principal
