

29th September 2026

Dear Parent/Carer,

RE: GCSE Revision Guides

As your child begins Year 10 and their GCSE journey, we want to ensure that they have the very best tools to support their learning and revision.

We are pleased to offer a set of recommended revision guides, carefully chosen by subject staff to match the courses we teach at Iceni Academy. These guides are available to buy directly from us at cost price, meaning they are significantly cheaper than purchasing through Amazon, bookshops or supermarkets.

Buying the guides now has several advantages:

- Students can begin using them straight away to consolidate their classwork and strengthen understanding.
- Guides can be annotated and personalised throughout Year 10 and 11, becoming an invaluable resource for exam preparation.
- Purchasing them early spreads the workload of revision over a longer period, making it more manageable and effective.

We believe these guides will make a real difference to students' learning, and strongly recommend every student has access to them.

You can select the revision guides they would like to buy and pay for these securely via the MyChildAtSchool app. These will be available from 1st October.

Please note: all revision guides will be provided free of charge to students eligible for the Pupil Premium. This will happen automatically: you do not need to complete any information on MCAS. If you would like to find out more about the eligibility criteria, and register for Free School Meals, you can do so through Norfolk County Council's website: <https://www.norfolk.gov.uk/education-and-learning/schools/school-meals-and-milk>

If you have any questions about which guide(s) to purchase, please contact your child's subject teachers in the first instance.

Please ensure all orders are placed no later than 15th October 2026.

Thank you for your continued support in helping your child aim high and succeed.

Yours faithfully,

Miss Amy Staniforth
Vice Principal
