Dear Parent/Carer,

Re: Revision guide follow up order

As your child enters the final year of their GCSE journey, we want to make sure they have every possible support to succeed.

Last year, parents/ carers were offered the opportunity to purchase a set of recommended revision guides, carefully chosen by subject staff to match the courses we teach at Iceni Academy. These guides are available to buy directly from us at cost price, meaning they are significantly cheaper than purchasing through Amazon, bookshops or supermarkets.

We are now opening a final “mop-up” order for any families who did not take up this opportunity in Year 10, or who would like to add any further guides. Having the guides at this point in the year is especially valuable, as students can use them to:

- Consolidate their knowledge and strengthen areas they find challenging.
- Personalise their revision through annotation, summaries and practice questions.
- Prepare more effectively for the series of mock exams and final GCSEs ahead.

You can select the revision guides you would like to buy and pay for these securely via the MyChildAtSchool app.

Please note: any student who joined Iceni Academy after the start of Year 10, and who is eligible for the Pupil Premium, will receive the guides free of charge. If you would like to find out more about the eligibility criteria, and register for Free School Meals, you can do so through Norfolk County Council's website: <https://www.norfolk.gov.uk/education-and-learning/schools/school-meals-and-milk>

If you have any questions about which guide(s) to purchase, please contact your child's subject teachers in the first instance.

Please ensure all orders are placed no later than 15th October 2026.

Thank you for your continued support in helping your child aim high, work hard, and succeed.

Yours faithfully,

Miss Amy Staniforth
Vice Principal
